TO ALL CHOIRS, MEMORIAL DAY CONCERT, CARNEGIE HALL

Dear Choirs,

Just to say: it was a splendid concert – thank you all so much! You all worked with a will in rehearsals, and I hope you felt rewarded in the performance and pleased with the warmth with which it was received. I must say, speaking as a composer, I felt quite honoured to be sharing a programme with Mozart, no less.

I trust that the Carnegie Experience was an uplifting one for you, and that we may meet again there some day. In the meantime, congratulations and thanks.

Sincerely,

John Rutter

Dear Judith:

Thank you for being a part of our concert on May 31 in Carnegie Hall. As I am sure you felt, it was a wonderful success.

Your preparations of your own chorus were a large part of the success and we appreciate that very much. Everyone was very responsive to Maestro Rutter in the rehearsals, and the pay-off was remarkable in the performance.

I hope your chorus members enjoyed their performance, and will remember it for many years to come.

Best wishes,
